SBL Holdings, Inc. and Subsidiaries Condensed Footnotes

Nature of Operations

The operations of SBL Holdings, Inc., together with its subsidiaries (referred to herein, collectively, as the "Company"), consist primarily of marketing and distributing annuities, retirement plans, and other related products throughout the United States. The Company offers a diversified portfolio of products comprised primarily of individual and group annuities, including fixed, fixed index, and variable annuities, and retirement plan products through multiple distribution channels.

Basis of Presentation

The financial statements of the Company are presented in conformity with U.S. generally accepted accounting principles ("GAAP") on a consolidated basis and include the operations of the Company and its subsidiaries, including Security Benefit Life Insurance Company ("SBLIC"), First Security Benefit Life Insurance and Annuity Company of New York, Everly Holdings, LLC and Security Financial Resources, Inc., and consolidated variable interest entities ("VIEs"). All intercompany accounts and transactions have been eliminated in consolidation.

Use of Estimates

The preparation of the condensed consolidated financial statements in conformity with GAAP requires management to make estimates and assumptions that affect amounts reported. Management believes that the estimates and assumptions used in preparing these condensed consolidated financial statements are reasonable.

Rounding

The condensed consolidated financial statements and other schedules in these materials are reported in thousands of dollars, except where the context otherwise requires, and as a result, the sum of the components reported may not equal the amount reported due to rounding.
