

Strategic Growth 7 Annuity

Key features

The Security Benefit Strategic Growth 7 Annuity is a modified single premium, deferred fixed index annuity with 43 available interest crediting options designed to help consumers accumulate retirement savings without risk.

This annuity may be well suited for a consumer/individual who has a sum of money the consumer/individual does not want to place in the market, yet would like the potential for accumulation without risk.

Strategic Growth Plus Annuity offers:

- Accumulation-oriented rates
- 42 index crediting options derived from 8 underlying indices which provides for a wide range of diversification opportunities
- Rate Buy Up Feature
- 10% free annual withdrawals after the first contract year
- Guaranteed Minimum Interest Rate for the Fixed Account
- Nursing home waiver¹
- Terminal illness waiver¹

For more information about Strategic Growth 7 Annuity, speak with your financial professional.

Better caps, participation rates, and spreads

The Strategic Growth Series of annuities offer Index Accounts with or without a Rate Buy Up feature. The Index Accounts featuring Rate Buy Up have, as applicable, a higher Cap, lower Spread, or higher Participation Rate in determining interest credits than the Index Accounts without a Buy Up feature.

Available on contracts issued after 1/9/2023

Security Benefit Life Insurance Company is not a fiduciary and the information provided is not intended to be investment advice. This information is general in nature and intended for use with the general public. For additional information, including any specific advice or recommendations, please visit with your financial professional.

Guarantees provided by annuities are subject to the financial strength of the issuing insurance company. Annuities are not FDIC or NCUA/NCUSIF insured; are not obligations or deposits of and are not guaranteed or underwritten by any bank, savings and loan, or credit union or its affiliates; and are unrelated to and not a condition of the provision or term of any banking service or activity.

Fixed index annuities are not stock market investments and do not directly participate in any equity, bond, other security, or commodities investments. Neither an index nor any fixed index annuity is comparable to a direct investment in the equity, bond, other security, or commodities markets.
